

Omegaia®

An Organic Solution to

**WOMEN'S
NEEDS**

Beauty-From-Within

Most topical skin products do not pass beyond the superficial dermis layer. Beauty comes from within. We redefine your daily approach to youth and beauty with our **Omegia®** series.

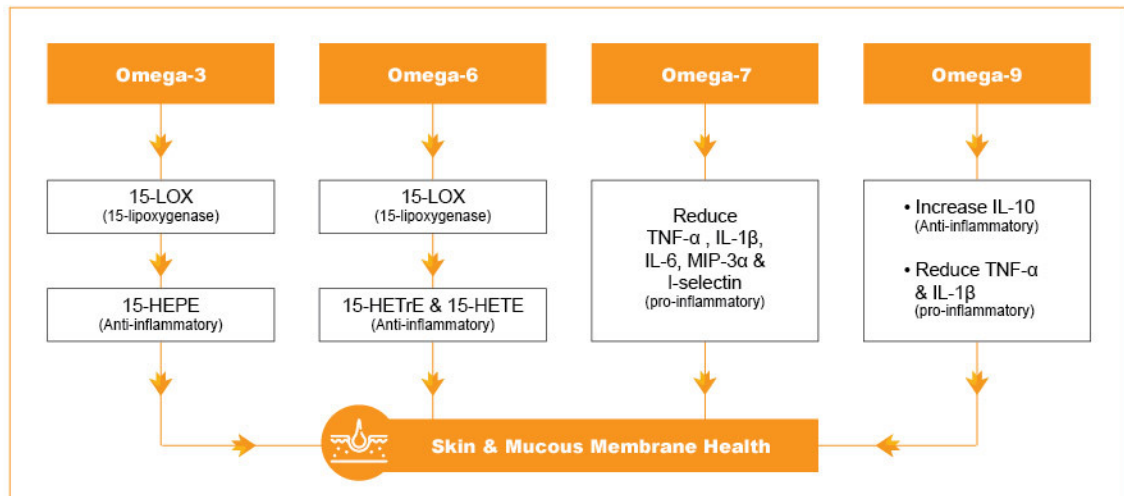

Due to stress or hormonal changes related to peri-menopause, the skin and mucous membrane such as eyes, gastric intestinal and vagina, are prone to dryness and inflammation. **Omegia®** is a clinically proven formula that showed improvements in skin and mucous membranes.

Omegia®

The All-round Hydration Solution

Omegia® is a clinically proven formula based on **Puredia SeaBerry®** fruit and **seed oil** that features: Comprehensive unsaturated fatty acids: Omega 3, 6, 7, 9. These omegas together play important roles in protection, hydration and fluidity of our mucous membrane health.

GROWN IN THE TIBETAN PLATEAU

Puredia SeaBerry® is individually handpicked from our 23,000-acre farm which lies 4,500m (15,000 ft) high on the Qinghai Tibetan Plateau in Eastern China. Sourced from one of the cleanest environment in the planet, the unique set of climatic conditions combined with technological innovation sets our SeaBerry apart and makes our products pure and potent.

Grown in Pollution-free Tibetan Plateau

Scientifically proven to contain higher nutritional value than sea buckthorn grown in other places due to extreme growing environment, i.e. Continuous sunlight exposure, extreme temperature difference, minimal rainfall and high level of soil salinity and acidity.

Extracted by Supercritical CO2 Extraction

Solvent-free and low temperature extraction technique retains all the richest nutrients without any loss.

Fresh Berries Supply All Year Round

Stored in frozen conditions which allow us to provide consistent supply throughout the year even in non-harvest season.

Worldwide Certified

Striving for the highest degree of quality and safety is always our utmost priority. Our farm is organic certified by USDA, EU and China and Non-GMO certified. Moreover, our state-of-art pharmaceutical grade production facility is certified with NSF GMP, ISO9001, ISO14001, ISO22000, HACCP, BRC, Halal and Kosher.
